- Belmont Public Library – General & Children's Programs

Executive Summary

Zoning Text Amendments - Residential Development Standards and Tree Regulations

In an effort to provide homeowners with a more streamlined, affordable and predictable process while maintaining reasonable zoning requirements, the City passed Ordinance 2015-1087 updating the regulations for single family residential development and Ordinance 2015-1086 to updating the City's tree regulations. This effort was initiated in March 2014, and after more than a year of concentrated evaluation, significant public input, and numerous (over 10) public meetings, revisions were approved in May of 2015.

City Council Action and Next Steps

At the July 14, 2015, Council Meeting the Council determined that they should repeal the adopted ordinances and seek additional public comment on the proposed modifications. The City Council also determined to continue to pursue potential amendments to the City's residential development standards and tree regulations. The Council initiated this process by re-introducing the ordinances with substantial modifications. These modified provisions are contained in the ordinances introduced at the July 14th meeting that repealed the previous provisions (see link to amendments below). The City Council will consider introducing ordinances to repeal the previous ordinances at their meeting on August 3rd. These ordinances will be independent of any potential other changes to the zoning or tree ordinances.

The City Council wants to receive additional feedback from the public on the proposed amended regulations and possible further amendments. Accordingly, the City Council directed additional public outreach to include:

- A Citywide Mailer
- Postings on Social Media and the City's Website
- Two Community Engagement Sessions with City Staff (Q & A)
- Hearings before the Planning and Parks and Recreation Commissions

The City will continue to update its website with information as it becomes available. Please stay tuned and stay involved.

Please use the link below to view the current amended ordinances under consideration or just go to the Community Development Department's homepage on the City's website at www.Belmont.gov for more information.

2035 General Plan Update

On Monday, August 3rd, at 6 pm in City Hall, the City Council and Planning Commission will hold a joint meeting to discuss the Preferred Plan developed for 2035 General Plan (GP) Update. This meeting represents a major milestone for the project. The draft Preferred Plan that will be presented by the City's consultant, Dyett & Bhatia is a compilation of all of the input from the community since the project began in September 2014, including in-depth analysis, review and comments. Prior City Council and Planning Commission direction is also layered into the text and maps. Following the presentation and discussion, staff and project team hopes to hear comments and receive clear direction to advance the Preferred Plan to the next stage of the GP Update process - drafting of the detailed General Plan.

Here is a [link](#) to the staff report for the August 3, 2015 Joint Meeting.

Here is the link to the [2035 General Plan Update](#) project website.

Ralston Avenue/Mountain View Avenue Storm Drain Repair Project Underway

Mountain View Avenue-Last week, Devaney Engineering, Inc. installed a new storm drain inlet and approximately 94 feet of storm drain pipe. The new system will divert the flow of storm water to be discharged further downstream. Anticipated completion of storm drain work on Mountain View Avenue is Mid-August.

Ralston Avenue- The contractor trenched approximately 100 feet and removed approximately 8 feet of failed corrugated metal storm drain pipe on Ralston Avenue this week. The removal and replacement of storm drain pipe will continue through the first week of August.

TRAFFIC ADVISORY-**NOTRE DAME AVENUE (Between Alameda de las Pulgas and Miller Avenue)**

The Pavement Reconstruction Project will take place Monday, August 3rd through August 7th.

Upper Notre Dame Avenue will be **CLOSED TO THROUGH TRAFFIC** between 8 am – 5 pm. Residents have been notified, and emergency vehicles will have access at all times.

RALSTON AVENUE (700' East of Cipriani Blvd.)

The Public Works Street Division will be conducting asphalt repair work Monday, August 3rd from 9 am-3 pm. There will be a **LANE CLOSURE** on Ralston Avenue in the eastbound-slow lane, 700' east of Cipriani Blvd. Please anticipate delays.

RALSTON AVENUE (Between Villa and Academy)

The Storm Drain Pipe Replacement Project is underway on Ralston Avenue between Villa Avenue and Academy Avenue. Work will take place through August 7th from 9:00 am and 3:00 pm in the westbound direction.

AT TIMES, THERE WILL BE LANE CLOSURES AND/OR LANE SHIFTING

Please anticipate delays.

Traffic Operations

- Weekly visual inspections for preventative maintenance of intersections
- Visual inspection of lighted crosswalks
- Banners -2 down; 2 up
- Assisted Streets Division with paving on Covington
- Painted 4,224 feet of red curb
- Manufactured 4 decals for Police Department Motorcycles
- Cleared vegetation to improve sight distance at 2 locations
- Removed graffiti (sand blast) from concrete retaining wall on Merry Moppett
- Assembled new propane storage cage

Pump Station Upgrades and Inspections:

- Installed hour meters – Motel 6, Naughton, and Ralston Ranch pump stations
- Performed annual electrical inspection - Motel 6, Naughton, Island Park and Ralston Ranch pump stations
- Conducted annual automatic transfer switch inspection – Island Park pump station
- Installed alarm upgrades - Motel 6, Naughton, Island Park and Ralston Ranch pump stations
- Installed level indication - Naughton, Island Park and Ralston Ranch pump stations

Annual City-Wide Red Curb Painting

The Department of Public Works will be performing the annual city-wide red curb painting of existing red curb in residential neighborhoods starting the week of August 3rd. Repainting will be performed in scheduled sections of the city and will continue until the repainting is complete.

******Please note:** depending on the section “boundary”, your property may be in one section and your neighbor in another, therefore the red curb repainting will happen on a different day.

For further information, you may contact the Public Works Department at 650-595-7425.

Annual Red Curb Painting

Over 43,000 feet of existing red curb will be repainted

Week of August 4th- Residential curb repainting will begin.

Completed:

- ✓ 4,389 feet of red curb on Ralston Avenue
- ✓ 4,224 feet of red curb on Old County Road and El Camino Real

Streets Division

- Marked out 15 Underground Service Alert tags
- Dug out 1.64 ton asphalt in front of 800 Covington, and put down 2 tons of hot asphalt concrete
- Dug out 5.54 tons of alligated asphalt in front of 800 Covington, put down 6 tons of hot asphalt concrete in 2 lifts compacted with the roller
- Dug out 7.39 tons of alligated asphalt in front of 841 Covington and put down 5.5 tons of hot asphalt concrete in 2 lifts compacted with the roller
- Removed broken concrete from around the sewer manhole in front of 2503 Buena Vista and filled void with cold patch. Final repair scheduled for week of August 3rd.
- Crack sealed 2,155 lineal feet on Covington

Storm Division

- Performed twice-weekly inspection of Water Dog Lake roadway, dam, v-ditch, and dock
- Swept 131 curb miles resulting in the collection of 11.62 tons of debris from the roadway
- Conducted cigarette butt assessments at 5 locations throughout the City: Shoreway, Sports Complex/Conference Center, Old County Rd., El Camino Real (in front of Starbucks), and Fifth and O'Neill
- Inspected 2,491 feet of storm line
- Inspected 134 Drain Inlets visually
- Inspected 51 Storm Manholes
- Cleaned 61 Drain Inlets
- Three employees attended trash assessment training administered by EOA in Redwood City.

Sewer Division

- Inspected and cleaned 11 sewer pump stations
- The service truck (205) responded to 2 service calls
- Checked and emptied 10 city garbage cans throughout the city
- Jetted (cleaned) 13,395 feet of sewer main
- Installed "PG & E Available" alarm at Island Park Pump Station
- Assisted AT & T with phone line installation at San Juan Pump Station
- Performed annual electrical inspection of Island Park Pump Station and Ralston Ranch Pump Station
- Performed annual automatic transfer switch inspection at Island Park Pump Station
- Reconfigured data reporting system to reflect new alarms at Naughton Pump Station and Island Park Pump Station
- Installed Wet Well Level indicating circuit at Island Park Pump Station
- Cleaned debris catcher at Ralston Ranch Pump Station (*Pictured below*)

Before -Debris Catcher (7-24-15)

After Debris Catcher (7-24-15)

- Repaired a 50" section of sewer main on Valley View (*Pictured below*)

Valley View Sewer Main Repair

- Installed pump runtime hour meters at 4 sewer pump stations (*Pictured below*)

Wiring hour meters

**Event Information**

Time: 9:00am-12:00pm

Place: One Twin Pines Lane-City Hall parking lot

Download the [Waiver Form](#), print out, sign and bring the waiver with you to the event.

Participants will meet to sign in, collect their supplies, and choose a cleanup site of their choice.

Park and City Building Maintenance

A new smart control irrigation clock was installed for the Ralston Avenue landscape medians west of Alameda De Las Pulgas. This irrigation controller has a weather station component that adjusts the watering cycle for precipitation and temperature fluctuations. This smart controller is the latest in irrigation technology and will greatly increase water use efficiency by watering based on climatological conditions.

Parks maintenance staff has installed several of these smart controllers throughout the city, and more are scheduled to be installed in the coming weeks. The use of these smart controllers at our facilities in the past year has saved thousands of gallons of water on the sports fields. Several defective irrigation valves were repaired along the Ralston Ave. corridor.

At Barrett Community Center, renovations are underway in various rooms to accommodate the variety of classes and programs offered on site. Maintenance staff is removing old infrastructure and rewiring to allow for a larger space. Be sure to check the [new](#) activity guide for upcoming programs and classes offered at Barrett Community Center.

**Join us at sundown in the Twin Pines Park Meadow.
Bring chairs, blankets, snacks.
All ages welcome!**

Belmont 4-H will be selling refreshments.

MEET SETH BARUCH
Community Choice Energy
Program

The County of San Mateo is actively investigating the formation of a local Community Choice Energy (CCE) program. Every city in the County agreed to participate in the technical study which began in June. The technical study will coincide with a broad range of community outreach efforts to provide information to local residents, businesses, civic organizations, and policymakers to learn more about CCE and its potential benefits for our County. Seth Baruch is an internationally recognized expert in the development of methodologies to monitor greenhouse gas (GHG) reductions. Seth has made presentations to the local County Board of Supervisors, mayors, city council members and others to educate them on the process of creating a Community Choice program.

Please join Seth on August 5th!

LEADERSHIP

REDWOOD CITY ♦ BELMONT ♦ MENLO PARK ♦ SAN CARLOS

Since 1989, Leadership has been successfully educating participants on issues of vital concern to their city. This year, we are looking for 45 new participants interested in gaining a broad understanding of their community while learning how to make a difference.

Tuition is \$1,300.00

To apply, go to www.redwoodcitychamber.com

Or email: carolina@redwoodcitychamber.com

"I want to thank you for a spectacular experience. As I've progressed in my career to my current position, I have taken more classes and done more training than I can keep track of. Some of it has been good and applicable, most of it has been required and not of great value.

The Leadership Program has been, not only applicable, but absolutely invaluable. I'm sure that the lessons learned and the networking done will benefit me and those I serve for the rest of my career."

Kent Thrasher, Class of 2015
Administrative Battalion Chief
Belmont Fire Department

"As a new manager in San Mateo County, I found the program to be very valuable. I learned a great deal about San Mateo County, its strengths and challenges, the variety of services offered to the community and its leaders. The program gives participants the opportunity to connect with others involved in service to our communities and to develop long lasting connections that will help us be better leaders for our organizations."

Tara Peterson, Class of 2015
Assistant to the City Manager
City of San Carlos

Schedule 2015-2016

Classes are held the 2nd Friday of each month, with a few exceptions.

SUMMER LEARNING 2015

UPDATE

Summer Learning Sign Ups

25,564 youth have been engaged in Summer Learning 2015 by San Mateo County Library staff--43% of our youth population and the highest number on record for SMCL. Together, all the Peninsula Libraries have engaged 45,817 youth and there is still one month of summer learning left!

Summer Learning Library Camps

185 Learners at the seven Summer Learning Camps have completed weeks of enrichment classes, traveled to their first field trip to the California Academy of Science, received the first ten books for their home libraries, and have had their vision screened as part of a program to provide glasses to any youth who needs them.

Photos at: [Summer Learning 2015 Camps](#)

Summer Youth Workforce Development Program

42 Summer Learning Interns are busy successfully engaging youth in summer learning experiences. Highlights of their support include: 3D Print-a-thon, summer school visits, bilingual story times, Exploratorium exhibit facilitation, Airport Day in San Carlos, StreetCode teen crafts in East Palo Alto, Boys and Girl Clubs, and numerous events in parks, farmers markets, and city centers.

Summer Library Meals

Lunch is being served to children and adults every weekday at the seven Summer Learning Library Camps.
